About ECC Group

ECC Knowledge Group is a regional hub for learning, growth, and collaboration - built on more than a decade of excellence in professional and higher education. Headquartered in the United Arab Emirates, with a regional office in Egypt, ECC Knowledge Group has evolved from facilitating international postgraduate programs into a dynamic knowledge ecosystem that connects education, industry, and innovation.

Since 2013, we have empowered ambitious learners and professionals to access world-class academic opportunities through partnerships with leading universities in Switzerland, Malaysia, the United Kingdom, and Denmark.

Today, as ECC Knowledge Group, our mission goes beyond academic degrees - we are committed to making knowledge accessible, engaging, and transformative across every stage of professional growth. Through our podcasts, webinars, and strategic collaborations, we bring together thought leaders, educators, and learners to exchange insights that inspire innovation and drive real-world impact.

Ecc VALUES

Our culture and operations are guided by five core values that define who we are and how we serve our community:

Equity: Ensuring fair access to learning and opportunities for all.

Continuous Learning: Promoting curiosity, adaptability, and lifelong development.

Innovation: Leading change through creativity, research, and forward thinking. ties for all.

Integrity: Building trust through honesty, transparency, and consistency. ties for all.

Customer Delight: Exceeding expectations in every interaction and experience. ties for all.

At ECC Knowledge Group, we believe that knowledge is the foundation of empowerment, innovation, and sustainable success - a force that transforms individuals, organizations, and communities.

Accreditations Awarding Bodies

EduQual

EduQual is a UK-based, regulated, and globally recognized awarding body. It provides the highest levels of quality and value through innovative and affordable qualifications. EduQual has a global presence. It has established partnerships with centers across Africa, the Americas, Asia, and Europe!

CTH

The Confederation of Tourism and Hospitality (CTH) was founded in 1982 as the UK's leading specialist professional awarding body. It focuses on the training needs of newcomers and existing professionals in the industry. CTH currently has a network of over two hundred approved learning centers worldwide, delivering industry-relevant CTH qualifications to thousands of students each year.

CMI

The Chartered Management Institute (CMI) is the only chartered professional body in the UK dedicated to promoting the highest standards of excellence in management and leadership. CMI provides a wide range of qualifications and comprehensive professional development resources, as well as an extensive network of over 150,000 professionals.

LEB

The London Examinations Board (LEB) is a UK-based educational body, registered with the UK Register of Learning Providers and associated with the Skills Funding Agency. It is headquartered in Hertfordshire, England, and also has a regional office in Asia.

Accreditations

Full Accreditation

AAA

The American Accreditation Association (AAA) is recognized by the U.S. government—the Virginia Commonwealth Corporate Commission—and is authorized to conduct accreditation services under articles of Chapter 13.1 of the Virginia Code. It is a partner with the International Laboratory Accreditation Cooperation (ILAC) and the International Accreditation Forum (IAF). It provides comprehensive accreditation services for schools, training providers, inspection and calibration laboratories, medical laboratories, and others.

QAHE

The International Association for Quality Assurance in Pre-University & Higher Education (QAHE) is an independent, private, and international organization funded by fees charged for accreditation services it provides to academic institutions at various levels, certification bodies, e-learning management system providers, and training organizations.

IEB

The International Education Board (IEB) was established in 2012 as the "International Learning Skills Quality Standards Accreditation" and its name was amended to "The International Education Board" in 2021. It recognizes educational institutions for performance research, student services, and teaching quality to promote public trust. IEB's accreditation of educational institutions, training, and professional certificates is a voluntary, non-governmental quality assurance and institutional development process.

Memberships

WEDP

The World Fund for Development and Planning (WFDP) is a multilateral intergovernmental organization and has been granted special consultative status with the United Nations - ECOSOC (2021). It aims to develop societies and nations and to create a plan for a promising future where every human being has the right to a dignified life, which is key to human development.

ACBSP

The Accreditation Council for Business Schools and Programs (ACBSP) was founded in 1988. ACBSP is a global business education accreditation body and is the first organization to offer accreditation to all levels of business degree programs from associate to doctoral. Our ACBSP accreditation reflects that our programs provide a rigorous learning experience and a commitment to continuous quality improvement.

About IBAS

At IBAS, our vision is to make education affordable and accessible, allowing students to study anytime, from anywhere, in a way that best suits their individual learning preferences.

Our programs deliver a high-quality blended learning experience to all students, regardless of nationality or stage of study.

Our coursework is carefully designed to prepare students to become leading professionals in business and management, enabling them to contribute meaningfully to their own countries and to the world through their knowledge and expertise.

Accreditations & Memberships

IACBE

The International Accreditation Council for Business Education (IACBE) believes that academic quality and excellence in business education should be measured in terms of an academic business institution's educational outcomes relative to its mission rather than by prescriptive standards related to academic resources.

ACBSP

The Accreditation Council for Business Schools and Programs (ACBSP) is a leading specialized accreditation body for business education that supports, celebrates, and rewards teaching excellence.

QS

Quacquarelli Symonds (QS) is the world's leading provider of services, analytics, and insights to the global higher education sector.

Swiss Private School

The Swiss Private School was registered in August 2006 in Switzerland by the Swiss Federation of Private Schools. It protects Switzerland's reputation as a hub for high-quality educational activity.

About MBA in Entrepreneurial Leadership and Innovation

An MBA is not just a degree; it's a gateway to unlocking your full potential in Entrepreneurial Leadership and Innovation. What sets our program apart is our commitment to fostering a collaborative learning environment where diverse industry backgrounds converge to share insights and experiences.
